PETITION TO ACCORD FILING DATE IN NONPROVISIONAL APPLICATION

Office of Petitions
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The undersigned attorney for applicants received a Notice of Incomplete Nonprovisional Application dated September 10, 2004. A filing date was not accorded to the application papers because it was alleged that the application was deposited without drawings.

The undersigned attorney disputes this allegation, and provides the following evidence establishing that drawings were in fact included with the original application papers:

- (1) A copy of the original Form PTO/SB/05 Utility Patent Application Transmittal; and
- (2) A copy of the Return Receipt postcard stamped by the Patent Office.

The Transmittal form, signed and dated by the undersigned, shows that four sheets of drawings were included as a part of the application elements.

The Return Receipt postcard also shows that four sheets of drawings were enclosed with the application, and that the application was received by the Patent Office.

It is also believed pertinent that the Notice of Incomplete Application was not sent to the undersigned until more than 13 months had passed from the date of filing. In fact, the undersigned also submitted two separate Status Inquiries in this case (which went unanswered) before the Notice was mailed.

In view of the above, it is believed to be clearly shown that the drawings in this case were filed with the application, and were inadvertently misplaced by the Patent Office during the nearly 14 months that the application was in the possession of the Patent Office.

For all of these reasons, it is believed that this application is entitled to the original filing date of July 24, 2003.

Because the application is entitled to the original filing date, it is also requested that the Petition Fee of \$130.00 be refunded.

A credit card payment form PTO-2038, for payment in the amount of \$130.00 is enclosed herewith for the petition fee set forth in 37 CFR 1.17(h).

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "George R. Nimmer".
